

Dear The Way Family,

Welcome to Easter service! We are glad that you're here as we celebrate our RISEN Savior! Today we remember the most significant event that has ever happened in the history of mankind. Closing Song (Blooming Cross): Glorious Day

The Blooming Cross symbolizes the new life that emerges from Jesus' death and resurrection. It represents the transition from Good Friday's mourning to the joyous celebration of Easter.

PB and Di will start the Blooming Cross during the closing song, "Glorious Day" with the congregation to follow. Congregation should receive a flower upon arrival into the Sanctuary to be placed on the Blooming Cross.

Blessings,  
PB & Dianne
